- Elevations (showing wall types & window sizes OR glazing & door schedule attached)
- Floor coverings (shown on plans OR floor covering schedule attached)
- Sections (if available) Lighting Plan & Schedule (if available)

NCC Energy Efficiency Assessment Type:

Generic Glass Type: Frame:

OR AFRC Performance Values (Glass only) U-value: Solar Heat Gain Coefficient:

OR Glazing product details:

External Walls: External wall frames:

External Wall colour/solar absorptance:

Roof Type: Roof colour/solar absorptance:

Skylights: Diffuser Insulated shaft R-value:

Ext. wall added insulation: OR Foil R-value of Material Only:

Int. wall added insulation: OR Foil R-value of Material Only:

Floor added insulation: OR Foil R-value of Material Only:

Ceiling added insulation: OR Foil R-value of Material Only:

Roof added insulation: OR Foil R-value of Material Only:

- Does the project have:
- Solar Panels >1kW
 - Ceiling Fans (indicate on plans)
 - Mechanical roof space ventilation
 - Outdoor Living Area Roof Insulation
 - Outdoor Living Area Ceiling Fan
 - Ceiling insulation gaps (eg downlights, exhaust fans)
